ABOUT US

LABSOLUT OFFICE Services Investments Import & Export is a forward-thinking Spanish company rooted in values of quality, sustainability, and innovation. Established in 2024, we bring the best of Spain's natural offerings to the world, focusing on high-quality cocoa beans and premium natural cosmetics. Our expertise lies in exporting naturally processed dried and roasted cocoa beans that reflect the true richness of the cocoa plant. With a commitment to traditional and environmentally conscious processing, we ensure our cocoa is not only delicious but sustainably produced.

In the realm of cosmetics, ABSOLUT OFFICE partners with trusted Spanish brands to provide products that care for the skin with organic, toxin-free ingredients. Each cosmetic product is designed to deliver effective skincare benefits while remaining gentle on the environment.
